Ordering/Payment Methods

Direct Payment: Mail or courier the attached order form and a cheque/ international bank draft/ postal or bank money order/ American traveller's cheque (such as Thomas Cook) to the above address. Please make the cheque payable to **SpiralCom Communications Inc.**

Credit Cards: Send and/or fax your American Express, MasterCard, or VISA card number, name on the card, the expiry date, and the bank or organization that issues the card along with WinTAR-SCSI's order form to the above address/fax number. We'll mail you back a sales receipt if you select this payment method. **Note: The currency used is in Canadian dollars.**

Purchase Order (P.O.): Send and/or fax the attached order form along with your P.O. to the above address/fax number. **Note: We only accept corporation, government, and education institutes' P.O.**

Terms for purchase order is Net 30 days. SpiralCom Communications Inc. reserves the right to charge a 5% interest per annum for all overdue accounts (Minimum US\$10 or CDN\$15).

Wired/Electronic Transfer (SWIFT): (Not recommended for amount less than US\$1,000) We will send to you information about our bank account when you select this option. After you have transferred the money, you need to let us know the transfer date and a transfer reference number. Upon receiving the payment confirmation, we will send you the software using your selected delivery option. *There is a US\$10 (CDN\$15) service charge for using this method. You are responsible all the bank processing fees charged by your bank for wire transfer.*

Payment Currencies

In Canada:

Payments must be paid in Canadian dollars drawn on a Canadian bank.

In USA:

Payments must be in US dollars drawn on a US bank. Personal and corporate US cheques are acceptable. If the payment option is American Express, MasterCard or VISA card, the currency is in Canadian dollars.

In All Other Countries:

Payments must be in Canadian or US funds drawn on a Canadian or US bank (i.e. international bank draft), or you can send international postal money orders in either US or Canadian funds. If the payment option is American Express, MasterCard or VISA, the currency is in Canadian dollars.

Shipping Methods

Upon receiving your order, we will process your order within two (2) working days depending on our load. We can ship WinTAR-SCSI via one of the following methods:

Via Internet: (most preferable and efficient)

We will e-mail you registration numbers and downloading instructions for obtaining the commercial version of WinTAR-SCSI through the Internet. If you prefer secure methods to obtain your registration number, please tell us where to obtain your public PGP signature.

We strongly recommend that you order WinTAR-SCSI via SpiralCom eStore at <http://shop.spiralcomm.com> if you use this delivery method since you will receive the downloading instructions instantaneously.

Via Postal Air Mail:

We will send you a WinTAR-SCSI floppy disk along with a registration number and an invoice/ sales receipt via postal air mail. This process can take between one (1) to four (4) weeks, and there is a US\$5 (CDN\$7) shipping and handling fee for this option.

Via Courier:

We will send you a WinTAR-SCSI floppy disk along with a registration number and an invoice/ sales receipt via courier. Please tell us your preferred courier (Fedex, UPS, Purolator/ Airborne) and your account number. If you do not have an account number with your selected courier, SpiralCom will select a courier and add the courier charges on your invoice. There is an additional US\$5 (CDN\$7) handling fee for using this option.

User Licenses

A Single Copy Licence:

A single copy licence entitles you to use WinTAR-SCSI as stated in the licencing agreement between SpiralCom Communications Inc. and you.

A Site Licence:

A site licence for WinTAR-SCSI entitles an organization to receive either one WinTAR-SCSI floppy disk in 3.5" format or one copy of the distribution package via the Internet. The organization can duplicate the chosen media for the specified number of copies. You cannot combine the given licence with another product family from SpiralCom Communications Inc..

Packaging

WinTAR-SCSI is sold in packs of 1, 2, 5, 10, 20, 50, and 100 copies. You can buy multiple packs of WinTAR-SCSI to make up your desire number of copies. For example, to buy 3 copies, pick a 1-pack and a 2-pack; To buy 4 copies, pick two 2-packs.

Educational Discounts

SpiralCom is pleased to offer educational discounts to qualified educational institutions for purchasing WinTAR-SCSI. In order to obtain this discount, you must pay via a Canadian or a US cheque that can be drawn directly in any Canadian or US banks - no credit card payment. Orders must be made from the purchasing department or equivalents of your educational institution. The discount rate is shown below. Please indicate your discount rate on our order form.

1 copy:	5% discount
2 - 9 copies:	20% discount
10+ copies:	30% discount
